Criteria Applies

Your eligibility for a government-subsidised Smart and Skilled course depends on your previous qualifications.

If you haven't completed a Certificate IV or higher-level qualification, you're entitled to enrol in a subsidised course up to Certificate III.

Students with a Certificate IV or higher qualification will be able to access subsidised Smart and Skilled training up to Certificate III level. This means that even if you have a higher level qualification you may still be eligible to re-train to enter (or re-enter) the workforce.
