Diploma of Work Health & Safety BSB51315 - Online

- The following prerequisites must be completed before commencing the Diploma of Work Health and Safety (Please contact Strategix for more information):
  - BSBWHS402 Assist with compliance with WHS laws
  - BSBWHS403 Contribute to implementing and maintaining WHS consultation and participation processes
  - BSBWHS404 Contribute to WHS hazard identification, risk assessment and risk control
  - BSBWHS405 Contribute to implementing and maintaining WHS management systems
  - BSBWHS406 Assist with responding to incidents

- To achieve this qualification you must successfully complete 3 Units of Study. Each Unit of Study has duration of 13 weeks.

- The nominal duration of this course is 39 weeks. However, if the course is not completed in this timeframe, you have an additional 12 months to submit your assessment before an academic penalty will apply.

- Students can commence the first Unit of Study on any Monday of the month (rolling intakes).

- The census date will be 20% of the way through the Unit of Study as calculated from your actual commencement date (18 days from commencement date). For example, if you commenced on the 1st January, your census date will be the 18th January.

- Where competence is achieved through Recognition of Prior Learning (RPL), the tuition fees are 75% of those listed.
