Certificate III in EARLY CHILDHOOD EDUCATION AND CARE

The Strategix Early Childhood Education and Care Academy will help prepare and develop your skills for a range of early childhood educational settings. The program is developed within the Education and Care Services National regulations and the National Quality Standard.

The course will prepare you to work in a range of community services roles including child education, community and personal service worker, childcare and related administrative and clerical roles. You will cover subjects from cultural competence, providing care, ethical and legal practices, nutrition, first aid, WH&S, holistic development strategies and utilising approved early learning frameworks.

Our trainers are industry professionals who will help you learn the skills and gain knowledge that will prepare you for a job in the Child Care and Early Education sectors. With the qualifications you gain through Strategix, you will have the edge to get the job you want. The Certificate III in Early Childhood Education and Care also incorporates an industry placement element.
