TLI31216 Certificate III in
DRIVING OPERATIONS

What is the Certificate 3 Guarantee?
The Certificate 3 Guarantee provides subsidies to assist eligible Queenslanders to obtain a Certificate level III qualification.

The Certificate III in Driving Operations TLI31216 is designed for transport operators already working in the industry. The course consists of subjects that will increase transport operators awareness of legislation requirements and enhance their skills in safety, fatigue management strategies, load restraint, advanced driving techniques, route planning and more.

This course provides an exceptional opportunity for participants to upgrade their knowledge and skills, and to gain a nationally recognised qualification for the skills they currently have.

It also allows employers to have their staff trained to the latest requirements, without the paperwork and hassles. Your company is only as good as your weakest staff members. Give them the tools they need through training.

Duration
12 - 18 months depending on experience (by appointment with the trainer)
