Certificate II in HEALTH SUPPORT SERVICES

The Strategix Health Support Certificate II is an informative and practical course with topics relevant to the current health care industry including; Individual needs planning, health and well-being strategies.

Our trainers are industry professionals who will help you learn the skills and gain knowledge that will prepare you for a career in the health sector.

Through the Strategix Academy you will be better equipped for a position as a nursing assistant, personal carer, aged care worker, and a range of other jobs. With the qualifications you gain through Strategix, you will have the edge to get the job you want.

The demand for workers in the care industry are increasing with the ageing population. Employers from small and large organisations are seeking individuals with the relevant qualifications skills and a passion to help and care for others. These attributes are all vital for a career in the care sector.
